TO SEE DEWEY.

The Wheeling Party Left Last Evening for Washington.

WILL INTERVIEW THE ADMIRAL

At His Home This Morning, and After Presenting the Subscription Wedding Gift, Will Seek to Secure His Presence for the Fort Henry Tablet and Doddridge Sword Ceremonies-Ten Representative Citizens in the Party.

'And now they're off to Washington, To see Admiral Dewey Dandy!"

Ten members of the committee apmittee left over the Baltimore & Ohlo last night at 5:20 for Washington City, where they will have the honor of pre-senting to Admiral Dewey and his bride the handsome wedding present donated by the city, and at the same time tender a pressing invitation to the Hero of Manila to be present at the laying of the tablet and the presentation of a sword to Lieut, John S. Doddridge, on Washington's Birthday, or

some date to be set by the admiral, Those going were: Judge G. L. Crammer, John Frew, H. C. Ogden, Dr. Judge G. L. R. M. Baird, R. M. Archer, Alex. Up-degraff, John Waterhouse, M. A. Chew, T. M. Garvin and James Stead-Sweeney was unable to accompany the committee, but did the next best thing in addressing an official letter to the admiral inviting him on behalf of the city to be present at the Washington Birthday celebration. The mayor's let-ter was as follows:

CITY OF WHEELING. WHEELING, W. Va.. Nov. 22, 1899 Nov. 22, 1899

Admiral George Dewey, Washington, D. C,
DEAR SIR:—Permit me to express sincere regret at my inability to add my personal solicitations to those of our committies. Business demands preclude my calling upon you, but I take this means of expressing the sincere well wishes of our
people, and hope you will accept our Invitation and be with us on Washington's
Birthday, February 22, 1900.

Yours Respectfully,
[Seal.] ANDREW T. SWEENEY,
Mayor.

The committee had previously en car, as far as Pittsburgh, where they took a sleeper. The trip will be a fast one and the gentlemen who go to urge the admiral to pay Wheeling a visit will arrive in the nation's capital before this morning's papers are read.

The hour for making the call at the Dewey home has been set by the admiral at 10 o'clock this morning and at that hour the Wheeling delegation will confront the hero and his bride and present to them the handsome jardiniere, which has been so much admired. Judge G. L. Cranmer will act as the chairman of the committee, and will make the presentation speech. This portion of the ceremony being ended, he will then on behalf of the citizens, formally invite Admiral Dewey to be present at the laying of the Fort Henry tablet, and the Doddridge sword presentation on Washington's Birth day. If it is found that Dewey cannot come on that date, the committee is mpowered to change the date to any that will suit him

The large jardinlere was carefully packed and shipped yesterday, and will be taken to the Dewey home by the committee. During their stay in Washington, the Wheelingites will stop at the Riggs House, where prepara-tions have been made in advance.

Most of the committee will return nome by Saturday, but several of the members will spend a week or so in Washington and others will go to Paterson, N. J., to attend the funeral of Vice President Hobart.

A QUEER CASE.

A Young Girl Who Came Here From Cameron Looking for her Father.

About four weeks ago a young girl about seventeen years of age was noticed hanging about the Baltimore & Ohio depot, and when questioned it was found she didn't know where she was going or what to do. She had a note addressed to a Mr. Oberfield near the Old Trade house, but she did not know where or in what town it was in. She said she got on the train at Cameron, but didn't seem to know who put her on the train. She gives her name as Pierceol, and says her father's name is Jim Pierceol. Since the time of her arrival here she has been cared for by a family on the South Side, but she is anxious to get to her father. The police have been appealed to, but a thor ough search of the city has not reveal-ed the whereabouts of her father. They are now trying to locate the Old Trade house spoken of in the note the girl had with her when she came here, and if they can do this they hope to find the man named Oberfield mentioned there-

The cases were heard before Squire Fitzpatrick, and fines were imposed and afterwards remitted in every case, excepting that of Cash Brown, a colored boy familiar to the police for former criminal acts. He will be taken to the state reform school.

The other children were Mary Jane Miller, Dave Smith and Nell Robin son, colored, and George Brad-ford, a white boy, and Annie Hearne, a colored eight-year-old girl, the star performer of all. It was her arrest that caused detection of the others. It is said the Hearne girl is a natural cake walk artist and has won note for her abilities in this line. The parents of the children gave assurance of their future good behavior.

that and longed for the real Java.

"Finally I tried Postum Food Coffee, and since that time have drank it to the exclusion of every other beverage. You can imagine I like it.

"Last summer I was in a place where nothing but Java coffee was served on the breakfast table, and I re-commenced the use of it.

"In two or three weeks I began to suffer from dizziness and explosive noises in my head.
"One evening after walking about half a mile I became dizzy and could hardly get back home, where I tell, exhausted, on the bed. I knew what the trouble was, and insisted on having Postum instead of the old-fashioned coffee, and got well in short order.
"I have always thought it worth while to warn the cook, wherever I happen to be, to make the Postum properly, that is, by bolling it long enough. Please do not print my name."

This lady lives in Pasadena, Cal., and the name will be given on application to the Postum Co., at Battle Creek, Mich.
